Welcome!

ICIAR, Finger Lakes Region of New York, 2022

Dear Friends and Colleagues,

I am very excited to host the 9th International Congress of Interpersonal Acceptance-Rejection in June 2022! We will be meeting on the beautiful campus of Hobart and William Smith Colleges in Geneva, New York. Geneva and the campus are a short walk from the shores of Seneca Lake, the largest and deepest of the 11 glacial Finger Lakes in the western part of the state of New York.

With dozens of local wineries and vineyards in the area, and natural wonders such as Lake Ontario, Watkins Glen Gorge, and the Finger Lakes National Forest all within an hour’s car ride away, the Finger Lakes Region will be the perfect place for us to explore, learn, and enjoy.

Please continue to return to this website for updates on the scientific program, accommodations, events, and to submit your own work to present at the conference. You can always reach me at bashdown@aus.edu if you have any question. I look forward to personally welcoming you all to Geneva in June!
